The Experimental Set-ups available in each Laboratory / Workshop are adequate, functional, and relevant to the respective curriculum prescribed by the affiliating University i.e. Dr. Babasaheb Ambedkar Technological University, Lonere. Each laboratory is equipped with standard experimental rigs, training modules, instruments, tools, and supporting accessories required to conduct all experiments as per the syllabus. The available experimental set-ups are regularly maintained, calibrated wherever applicable, and effectively utilized by students for practical sessions, demonstrations, mini-projects, and skill development activities under the supervision of qualified faculty and technical staff.
