NOTICE

Announcement of Value-Added Course on

'Advanced E- Waste Management'

All students are hereby informed that our Department of Civil Engineering will conduct Value Added Course On 'Advanced E Waste Management' during 20-02-23 to 24-02-23 at seminar hall of the department.

The aim of the Course is to discuss the overall scenario of E-Waste management in India in comparison with other countries around the globe. the effects of recycling and management of Electronic Waste on human health, environment and society will also be presented. A major focus of this course will be the role of E-Waste management within the various initiatives of the Govt. of India including: Swachh Bharat Mission, Smart Cities as well as Make in India. The challenges of E-Waste management for smart cities will also be discussed taking few case studies from various developing nation around the globe. The Certificate will be awarded to the students after successful completion of the course with a minimum attendance of 75 % and minimum 40 % marks in the assessment test.

The course is open for all Engineering students and not available in curriculum Interested students enroll their name towards the course coordinator before 19-02-2023.

Everyone must take the benefits of this course.
