**Subject: Skill Development Programs for Engineering/Poly Students during Summer Vacation – 2025.**

Dear Sir / Madam,

MSME Technology Centre - Indo German Tool Room (IGTR) Aurangabad is a Govt. of India Society, under Ministry of Micro, Small & Medium Enterprises (MSME) Govt. of India. The unique feature of IGTR is the Production & Training activities are under one roof, IGTR is a center, which nurtures excellence and provides Tooling & Training Solutions. The objectives of IGTR is to provide technical support to MSME's by way of providing assistance in Designing, Manufacturing as well as to conduct the Skill Development Training Courses in the area of Tool Design, CAD/CAM/CAE, CNC Programming & Machining, Hydraulics, Pneumatics, PLC, SCADA, VLSI, Embedded Systems, 3D Printing, Mechatronics, Robotics, Low Cost Automation & Welding Technology. The Certification offered by IGTR are well accepted by Industries and Institutes in India and abroad for employment and higher education purposes. IGTR Aurangabad implements its Skill Development Training Programs through its **Aurangabad Training Centre and Sub centers at Pune, Nagpur, Mumbai & Kolhapur.**

IGTR, Aurangabad offers wide spectrum career oriented / Skill Development Training Program to bridge the gap of trained manpower for 21<sup>st</sup> Century giving vocational direction to the youth for development of technical skill to gain employment in hi-tech areas with entrepreneurial skill, techno-commercial knowledge, professional ethics, work culture, personality development and awareness towards nation, society & environment

**Job oriented Skill Development Training courses are being planned from April 2025 for the benefit of Engineering/Polytechnic students to enhance their technical skills as required for the modern day industrial needs & technological requirements.**

Detailed information regarding the same is enclosed here in the form of Poster & Leaflet. We kindly requested you to display the information on the Notice Board & motivate the students to avail the opportunity for upgrading their technical skills.

Your cooperation in this regard will be highly solicited.

Thanking You,  
Yours Faithfully

J.D. Bagul  
Sr. Manager (Trg.)
