Summary of the event :	<p>Session 1- On 10 th January 2026, a groups of total 413 students from different coaching classes as 1) Ideal classes, Blidkin (233) students 2) Dnyandeep classes, Kannad & Chincholi (95) students 3) DSP classes, Khultabad (85) students visited CSMSS, Chh. Shahu college of engineering, Chh. Sambhajinagar.</p> <p>All the visiting students were warmly welcomed by the college authorities and exam coordinators. After registration and verification, students were guided to the examination halls. The practice CET was conducted in a disciplined and well-organized manner, closely resembling the actual CET examination. Students attempted questions from Physics, Chemistry, and Mathematics under strict time constraints. The examination atmosphere helped them understand seating arrangements, invigilation rules, and the importance of time management. Faculty members were present to supervise and assist wherever needed. the objective of the test is familiarizing students with the actual CET examination pattern, environment, and procedures, thereby helping them reduce exam-related anxiety and improve their confidence.</p> <p>Session 2- After the test, college campus visit was organized as part of the ongoing initiative to foster academic exchanges. The primary aim was to give the visiting students a glimpse of the campus, its facilities, and provide them an opportunity to interact with our faculty and students.</p> <p>The visit began with a comprehensive tour of the college campus. The students were shown the various academic buildings, laboratories, research center, and the library. Special emphasis was placed on the facilities provided for hands-on learning, including Language lab, computer labs, robotics workshop, and the student's innovation center. The visiting students had the chance to interact with the faculty members from various departments, where they were given insights into the academic curriculum, research initiatives, and the overall teaching methodology at our institution. The visiting students also met with some of our current students, who shared their experiences about college life, internships, extracurricular activities, and</p>
