Department of Artificial Intelligence & Data Science

Department Library:

The Library of the Department of Artificial Intelligence and Data Science (AI & DS) offers a well-curated collection of books to support academic and professional development. The collection includes specialized texts on AI, machine learning, data science, computer vision, and related subjects. Additionally, the library provides resources for GATE preparation, competitive programming, and aptitude enhancement, catering to students aspiring to excel in competitive exams. The environment encourages focused study with dedicated reading areas, promoting individual research and collaborative learning, making it a valuable asset for students and faculty aiming to stay at the forefront of technology.

Objectives:

- **Provide Comprehensive Resources**: To maintain an extensive collection of books covering AI, machine learning, data science, computer vision, GATE preparation, competitive programming, and aptitude, supporting students' academic and professional development.

- **Facilitate Knowledge Access**: To offer easy access to specialized texts and study materials, creating a conducive environment for individual research, collaborative projects, and focused exam preparation.

- **Enhance Learning and Innovation**: To foster a culture of continuous learning and innovation by providing up-to-date resources and creating spaces for students and faculty to explore emerging technologies and concepts in AI and data science.

Resources:

To cater to the wide varieties of demands of students and faculty and taking Educational needs, Information needs, Inspiration needs and recreational needs into consideration, ECE Departmental library has been enriched with

- 293 Volumes of textbooks

- Project thesis (B.Tech, M.Tech) of past academic years are being maintained.
- Competitive Exam Books like GRE, GATE, Civil Services, Aptitude, Reasoning

Instructions:

- The library is open round the year in official breaks except on Public Holidays.
- Each student is allowed to draw one/two books from the library.
- Students should show their identity cards to the library in-charge for the purpose of identification at the time of using any library facility and borrowing books.
- Any book reported to be lost by the borrower should be replaced by a new one.
- Books will be issued to the students for a period of one semester.
- Few back numbers of project reports are available for issue.
- Books should be returned on the due dates. Belated returns will be accepted only on payment of fine calculated as per the rules in force.
- Book donations are always welcome.
- Books will be issued for staff as well.

Staff Incharge:

Prof. M. D. Nawale
