

CSMSS

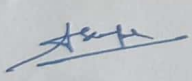

**CHH. SHAHU COLLEGE OF ENGINEERING,
CHH SAMBAHAJINAGAR****DEPARTMENT OF ELECTRICAL ENGINEERING**

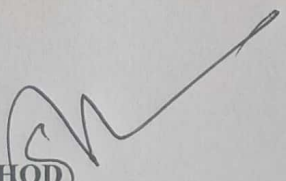

Name of the event:	Industrial Visit
Date of the event:	13 th Nov2025.
Participants	Students of Third Year (Total: 45Student & 3 Staff)
Name and Address of the Industry	Wipro Lighting Limited, L-8, MID C, Waluj, Chhatrapati Sambhajanagar, Maharashtra 431136
Summary of the event:	The Department of Electrical Engineering organized an industrial visit Wipro Lighting Limited. It was good experience for all the students. An industrial visit to Wipro Lighting Limited was organized for the Third Year Electrical Engineering students to enhance their practical knowledge and understanding of modern lighting technologies. The visit aimed to bridge the gap between academic learning and industrial practices in the electrical domain. During the visit, students were introduced to Wipro's state-of-the-art lighting manufacturing facility, which specializes in designing and producing energy-efficient lighting solutions such as LED luminaires, smart lighting systems, and industrial illumination products. The interaction with industry professionals Mr Amit Joshi and Mr. Vinayak Jadhav provided valuable exposure to current trends in lighting technology, automation, and innovation in energy-efficient solutions. The visit helped students understand the importance of research, innovation, and sustainability in the electrical engineering field. Overall, the industrial visit to Wipro Lighting Limited was an enriching experience that strengthened the students' technical knowledge and motivated them to apply theoretical concepts to real-world industrial applications.
Outcome:	➤ Through this visit, students gained insights into the working of smart lighting systems, automation in production lines, and the implementation of sustainable technologies. ➤ They also learned about the importance of innovation, research, and quality control in the lighting industry.
