At the time of dj night expected some snacks from mangement is needed because time is more of the event for the students who comes in college bus they can not service more without eating (1pm to 11pm) . Time mangement for auditions and sports should be different students can not manenge both at same time.. Increase days of event because 3 program at one day is not possible to attend us.. seprate the days for special events like traditional day ,shobhayatra, bollywood day, and matches .. Arrange one classroom for girls for changing (girls suffers difficulties to change clothes in Washroom) . There was no proper seating arrangement of Lunch (Arrange shelters) .

Prob - Tion (Problem with Possible Solutions)

Sr. No.	Event	Problems Identified	Possible Solutions	Remarks
1	Formation of Students Council	The Students' Council is currently formed in the even semester , which limits the time available for event planning and execution.	Form and complete the Students' Council selection process in the odd semester , enabling year-round planning and smooth execution of events.	
2	Sports – Cricket Matches	Difficult to manage matches during the Gathering period due to the large number of divisions and teams.	Conduct preliminary matches in the odd semester; only semi-final and final rounds to be held during Gathering.	
3	Sports – Basketball	Very low student participation and response.	Replace basketball with another sport having higher engagement or demand.	
4	Schedule of Events	Compact schedule causing overlap and fatigue.	Extend Gathering by two additional days or reduce low-impact events (e.g., Bollywood Day).	
5	Budget	Difficulty in managing event-wise budget allocation.	Create a separate budget for magazine printing (minimum 10 copies) and allocate specific funds for Department Day.
