Event Activity Report

Name of the event:	CSMSS ISHRAE Student's Chapter
Date of installation:	22/08/2024
About CSMSS ISHRAE Student's Chapter	Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE). ISHRAE Students chapter encourages students to opt for careers in the HVAC&R industry. Knowledge dissemination is done through seminars, quiz contests, plant and site visits and providing a platform for leading employers to recruit candidates who are members of ISHRAE student chapters. ISHRAE promotes research in the field of HVAC&R technology. It offers financial support to Graduate/Post Graduate students and research scholars, to carry out innovative work on R & D in Technology, Systems, and Processes. Through this chapter, students can avail with various benefits like easy access to all ISHRAE Technical Publications, International exposure through International Associates, Workshops, Conferences, Training Programs, Placement activities and financial support for project work etc. CSMSS ISHRAE Student's Chapter Installation was held at Rajarshi Shahu Auditorium, CSMSS Chh. Shahu College of Engineering, Kanchanwadi, Chh. Sambhajinagar on 22.08.2024 (Thursday).
Vision of ISHRAE	ISHRAE will be the global leader and the foremost source of technical and educational information, and the primary provider of opportunity for professional growth in the arts and sciences of heating, ventilating, air-conditioning and refrigerating.
Mission of ISHRAE	To advance the arts and sciences of heating, ventilating, air-conditioning and refrigerating to serve humanity and promote a sustainable world.
Activities conducted through the Students' Chapter	CSMSS ISHRAE Students Chapter Members and Faculties Organized/participated in the following events organized by ISHRAE Chhatrapati Sambhajinagar Chapter.

	Members and Faculties Organized/participated in the following events	
	1.	CSMSS Student Chapter ISHRAE Orientation Program 17 th June 2024
	2.	Installation Ceremony 22 nd August 2024
	3.	IEC Workshop on Project Management 01 st June 2024
	4.	ISHRAE Cool Conclave 01 st August 2024 to 03 rd August 2024
	5.	Awareness Quiz on ISHRAE and HVA&C 17 th August 2024
	6.	ISHRAE Knowledge talk on Ventilation 24 ^h August 2024
	7.	Webinar on Modern Trends in Subzero Refrigeration 24 ^h August 2024
	8.	Expert talk on Engineering Synergies for Sustainable Growth 10 ^h September 2024
	9.	ISHRAE National Program on Pharma Connect with HVAC&R 08 th November 2024
	10.	Career opportunities as design engineer in HVA&C Industries 08 th November 2024
	11.	Career opportunities as Piping Designer - E3D / S3D - Oil and Gas Industry 08 th November 2024
	12.	Webinar on HVAC System Selection and Applications of Larger HVAC Plants for System Optimization and Energy Efficiency 19 th November 2024
	13.	Short Term Training Program (STTP) on Robotics and Automation 11th December-13th 2024
	14.	ISHRAE Cricket Tournament-2025 12th January 2025
Membership	Member Position	Members
	No. of student Members	36

	Faculty Coordinators	R.S. Surase , Assistant Professor / Mech - Faculty Advisor
Outcome(s):	The Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE) student chapters offer many outcomes for students, including: Career guidance: Students can receive career assistance and get an edge in placements and higher studies. Real-world experience: Students can apply their academic knowledge in a real-world setting and simulate running an organization. Technical knowledge: Students can learn about the latest HVAC technology and systems through technical sessions and access to the ISHRAE e-Journal. Networking: Students can interact with industry professionals and develop leadership potential. Competitions: Students can participate in national-level quizzes and design competitions. Research grants: Students can apply for research grants and contribute to books published by ISHRAE
