Objective:	The main objective of this national workshop was to discuss and develop strategies for the effective implementation of National Education Policy (NEP) 2020 in Pharmacy Education. The workshop aimed to promote multidisciplinary education, innovation, skill-based learning, and industry collaboration in pharmacy curricula. It also focused on integrating Indian Knowledge Systems, promoting research and entrepreneurship, and encouraging outcome-based curriculum reforms aligned with NEP 2020.

<p>Overview</p>	<p>The two-day national workshop began with an inaugural ceremony and the traditional lighting of the lamp. The inaugural session was graced by several distinguished dignitaries including Hon. Colonel Dr. Karbhari Kale, Vice-Chancellor of DBATU, Dr. Vishal Pandey (Dean, Pharmacy – DBATU), Dr. Upendra Kulkarni, Dr. Suresh Gupta, Dr. Ashwin Ranjanikar, Dr. Shrikant Deshmukh, and Dr. Ganesh Dongre.</p> <p>During the workshop, eminent academicians and industry experts delivered insightful lectures and shared their expertise on various aspects of NEP 2020. Topics discussed included curriculum reforms in pharmacy education, Academic Bank of Credits (ABC), integration of Indian Knowledge Systems, skill development, innovation and startup culture, regional language education, and industry - academia collaboration. The sessions also included case studies and best practices adopted by different institutions for implementing NEP 2020 effectively. Panel discussions and interactive sessions enabled participants to exchange ideas, discuss challenges, and explore innovative approaches for improving pharmacy education in India.</p> <p>The valedictory session was addressed by Hon. Colonel Dr. Karbhari Kale, Vice-Chancellor of DBATU, who highlighted practical strategies for implementing NEP 2020 and encouraged institutions to adopt multidisciplinary and research-oriented approaches in technical education.</p>
<p>Participation</p>	<p>The workshop witnessed enthusiastic participation from more than 185 delegates including faculty members, academicians, and researchers from Maharashtra and various parts of India.</p>
<p>Fees:</p>	<p>No registration fee was charged for the workshop. Participation certificates were issued to all registered participants.. Registration Link https://docs.google.com/forms/d/e/1FAIpQLSdYP4-iNzcgq-zPJRqZQD6aduKhsS3MAiyvAQ1_3HLOkWpmw/viewform?usp=header</p>
<p>Key Outcomes:</p>	<p>The workshop successfully created awareness regarding the effective implementation of NEP 2020 in pharmacy education. Participants gained insights into curriculum restructuring, skill-based education, and the integration of Indian Knowledge Systems. The event also encouraged collaboration among academic institutions, industry experts, and policymakers.</p> <p>The discussions and sessions emphasized the importance of research, innovation, startup culture, and industry partnerships in pharmacy education. The workshop also facilitated networking among participants and promoted the exchange of best practices among pharmacy institutions.</p>
<p>Feedback & Suggestions:</p>	<p>Participants appreciated the well-organized sessions and the relevance of the topics discussed. Many participants suggested conducting more such workshops, faculty development programs, and collaborative initiatives to support the implementation of NEP 2020 in technical and pharmacy education.</p>
<p>Conclusion:</p>	<p>The two-day national workshop concluded successfully with valuable insights and constructive discussions on the implementation of NEP 2020 in pharmacy education. The event served as an important platform for academicians, policymakers, and industry experts to share knowledge and explore innovative strategies for transforming pharmacy education in India. The workshop ended with a vote of thanks, followed by Vande Mataram, the National Anthem, and lunch.</p>
