NOTICE

Subject: Reminder for Submission of Suggestions on Aim and Scope of CIJASET

This is to inform all R&D Members (A.Y. 2025–26) that we are in the process of finalizing the Aim and Scope for CIJASET (CSMSS International Journal of Advancements in Science, Engineering & Technology). Proposed Aim and Scope for CIJASET are as follows:

“CSMSS International Journal of Advancements in Science, Engineering & Technology” (CIJASET) is a multidisciplinary, peer-reviewed journal devoted to advancing understanding and innovation in the teaching and learning of science, technology, engineering, and mathematics (STEM). Our mission is to connect researchers, educators, and policymakers who are shaping the future of STEM education across the world.

The journal welcomes high-quality research and reflective work that explores how STEM can be taught and learned more effectively-from early education through university and teacher preparation. We feature studies on technology-enhanced learning environments, the role of generative artificial intelligence in education, creative teaching practices, curriculum and assessment design, and strategies for improving student engagement, equity, and achievement.

We particularly encourage research that bridges theory, policy, and classroom practice. Translational studies that demonstrate how evidence-based insights can lead to meaningful change in real-world educational settings are highly valued.

CIJASET embraces both discipline-specific and integrated approaches to STEM learning. We publish original research, reviews, and commentaries from a range of fields-including education, psychology, Evidence Based Sciences, and the STEM disciplines themselves-to promote a rich, interdisciplinary dialogue.

By sharing ideas, discoveries, and innovations, the journal aims to inspire effective teaching, informed policymaking, and collaborative problem-solving. Our goal is to strengthen the global community of STEM educators and learners working toward a more creative, inclusive, and impactful future.

The draft Aim and Scope document has already been shared in soft copy via email (from hodresearch@csmssengg.org) on 14 Nov. 2025, and a reminder was also sent on 22 Nov. 2025. However, despite these communications, the necessary suggestions or confirmation of ‘no change’ from all the R&D Members have not been received within the given timeline. Hence, all R&D Members are once again requested to kindly provide your valuable suggestions in written format to R&D cell before 04 Dec 2025, if any, or confirm that no changes are required. Your inputs are essential and will greatly help in shaping the direction and quality of the journal. You are requested to submit your suggestions along with this circular at the earliest.

P.T.O. the page for necessary signatures of R&D Members.

List of R&D Committee Members

Sr. No.	Name of Committee	Name of Committee Member	Signature
01	Chairman - Research Advisory Council	Dr. Ganesh B. Dongre	
02	Director (Convener)	Dr. Yogesh H. Bhosale	
03	Research Advisory Council (RAC) / Committee Members of Research Program and Policy Development	Dr. Devendra L. Bhuyar	
		Dr. Ramchandra P. Chopade	
		Dr. Sandeep P. Abhang	
		Prof Abhay N. Mudiraj	
		Dr. S. J. Honade	
		Dr. Sohail Ali	
		Dr. Shrinivas R. Zanwar	
		Dr. Syed Sumera Ali	
04	Member - Collaboration & Community	Dr. S. L. Dhondge	
		Prof. Sanjay B. Kulkarni	
		Prof. Chetan V. Bhusare	
		Dr. Pushpak D. Dabhade	
		Dr. Gurucharansingh J. Sahani	
		Prof. Vishakha V. Jogdand	
		Dr. Preeti G. Thombre	
		Dr. Jitesh R. Shinde	
		Prof. Sathish H. Jadhav	
		Dr. Deepakkumar H. Patil	
05	Member - Product Development, Monitoring & Commercialization	Dr. Abhijit R. Kadam	
06	Member- IPR, Legal & Ethical Matters	Prof. Sachin B. Lahane	
07	Member - Finance & Infrastructure	Prof. Pravinkumar G. Jadhao
