NOTICE

Date: 01-July-2025

Subject: Review and Planning of Department-wise R&D Activities

With reference to the R&D meeting held on 30/06/2025 under the guidance of our Respected Principal Sir Chairman R&DC, all faculty members are hereby informed to take note of and ensure compliance with the following directives for enhancing academic and research contributions:

1. **Journal Paper Publication:** Minimum 2 papers per year per faculty.
2. **Conference/Book Chapter/Book Publication:** Minimum 1; per year per faculty.
3. **Faculty Development Programs (FDPs):** Minimum 2; one-week FDPs per year per faculty.
4. **Patent Grant:** Minimum 1; granted patent every two years per faculty.
5. **Patent Publication:** Minimum 1; published patent per year per faculty.
6. **Funding Grants:** Minimum 2; funded research/project per department per year. For academic & Industry interaction faculty members must actively engage in external academic, industrial collaborations.
7. **International Conference:** A two-day International Conference is tentatively scheduled for 10-11-April-2026. All departments are requested to plan and contribute accordingly.
8. **CSMSS Journal:** The first issue of the CSMSS Journal will be released in December 2025. Faculty members are requested to submit quality research papers for publication in this issue.
11. **Review of Department-wise R&D Activities planned & executed for A.Y. 2024-25:** All departments must keep all the verified records hardcopies further to be submitted to R&DC, review and present the R&D activities that were planned and executed during A.Y. 2024-25 (Year-wise targets & achievements), including publications, Book, Book-chapters, Proceedings, IP's (Utility/Process, Design etc), FDPs, funded projects, external collaborations, etc (other important activities related to R&D) on 07 July 2025.
12. **Proposal of Department-wise R&D Activities – A.Y. 2025-26:** Each department should present and submit a proposed plan of R&D activities for A.Y. 2025-26, aligned with the institutional goals and including specific, measurable targets for the year ahead.
13. **Faculty as Resource Persons:** At least 50% of the total faculty members from each department should actively participate as resource persons in various workshops, FDPs, conferences, seminars, and training activities at institutional or external platforms.
14. **Student Research Club Formation per department:** Each department is directed to form a Student Research Club to promote research culture among students. Activities may include project competitions, research paper writing, innovation challenges, and mentoring support from faculty.

The respective Head of Department will guide and instruct their faculty members and department R&D Coordinator for the preparation and compilation of the required data and reports. All concerned are requested to initiate action in their respective departments and ensure timely submission and participation as per the above guidelines.
